Series: Unstoppable God

Sermon: Almost There!

Date: 11/08/2020

1. **Share** What is your idea of fun?

2. **Activity** What's your hidden (or not) talent? Demonstrate?

3. **Sermon Review**

~ What was one thing that you remember / learned from the message?

4. **Digging Deeper:**

~ This Sunday pastor Alex read an unusual story from the Bible. God was about to kill Moses because he (Moses) did not obey God fully. Pastor observed that most likely there was a disagreement between Moses and His wife about circumcision of their sons.

~ In your opinion, who is more at fault here: Zipporah for being disobedient, or Moses for avoiding the issue?

~ Do you think it's important for a couple to agree / be on one page to be successful? Examples?

~ Why do you think unequally yoked marriage causes so much strife? What about the concept of someone who has 30% passion for Christ and 60% OR 60% and 100%, is there hope for them? If so how? What can you do to close the gap?

~ God's plan A for us is humility. But if we do not choose it, then He implements plan B - humiliation. Are there any times you felt like God had to humble or humiliate you?

~ "You will feel great pressure until you submit to the will of God." So how do you know if problems in your life are from disobedience to God or just something else?

5. **Taking it home:**

Is there anything in your life that God is asking you to do/say but you're putting it off, keeping quiet about?

6. **Prayer:**

Does anyone have a prayer request?

Pray that God would show you what's stopping you from living life to the fullest. Ask for courage to be obedient.

Pray that revival starts in the church and leads to great harvest.

Pray for our nation, for our leaders.
