

Winter 2020 Life Groups-Week 5

Series: Misidentified

Sermon: Mislabeled-Andre

Date: 3/8

1. **Activity:** Share one high and one low of the week.

2. **Take a group/Creative photo**, post on Facebook/social media w/ #ilovemylifegroup and tag New Life

3. **Share:** What is a label that someone has given you? Do you agree or disagree with it?

4. **Dig Deeper:** Pastor Andre said, "If the enemy is trying to question the identity of Jesus, how much more will he question yours?" How do you reply when someone questions your identity?
 - Matthew 4:1-11 says that when Jesus was tempted for 40 days in the wilderness, He responded by quoting scripture about who we are and how we are supposed to live. He was standing on the word. What verses help you feel strong in your identity in Christ?

 - In Psalm 139:14 it says, "We are fearfully and wonderfully made," God defines our true identity. What are some labels that do apply to you from scripture as a child of God? (Ex. Anointed. Cherished)

 - Pastor Andre recommended spending/investing time with people who can help you grow. Who is in your circle? Are you surrounded by people that can help you grow and realize your full God given potential?

5. **Prayer:** Pray for God to help you see your identity more clearly, the strength to stick to it when the world challenges it, and a circle that will support it.
