

Life Group Spring 2024 – Week 8

Series: Jesus

Sermon: Jesus, The Lion and The Lamb

Main Scripture: Matt.28:1-10; Rev. 5:1-5 Dan. 7:9-10, 13-14;

Date: 03/24/2024

1. Ice breaker/Share When it comes to confrontations, are you more of a lion type of person or a lamb (turtle). (What would your loved ones say?)

2. Sermon review: What's one thing you remember about the message?

3. Digging Deeper:

- Pastor Alex talked about all disciples (but John) dying for Jesus, because for them it was not faith, it was history. They experienced Jesus and His death and resurrection. Does that change anything for us? Like if your grandma tells you a story about her grandma, does it take much faith to believe her? Or do you just receive it as your family history?
- In the Bible we see Jesus being described as a Lion and a Lamb. Which one do you like better? Which side of Jesus do you know more?
- Have you seen The Spirit of God move in you as a Lamb? As a Lion? Share.
- Read 1 For. 15:57, 1John 5:4-5, Phil. 4:13 What do these verses imply we need to do?

5. Taking it home: What is God asking of you through this message that you're resisting? It's often the quiet voice that's followed by loud objections. What's a small step of obedience you can take today?

6. Prayer:

- 🕯 Do you have any prayer Requests?
- 🕯 Pray for all 1st time guests that attended this Easter. For God to continue to grow the seed that was planted. And protection from the evil one, so the seed doesn't get stolen.
- 🕯 Pray for a young adults leader/pastor to rise up, so he can properly care for and connect people.
