Sermon: Be on Your Guard

Main Scripture: Mark 13:14-23

Date: 03/5/2023

1. Ice breaker/Share: What is the biggest regret in your life and how have you learned from it?

Read Mark 13:14-23

2. Sermon review: What's one thing you remember about the message?
3. Digging Deeper:
 - What is the difference between prophecy about future events and horoscopes/psychics? Why do we trust God but avoid fortune telling?
 - What are some different ways people respond to warnings? How should we as Christians respond to warnings from God?
 - "Discernment" is the ability to look at a situation and be able to sort out truth from error or right from wrong. If we have been warned about the possibility of false teachers, how can we discern for ourselves what is true?
 - The Bible says in John 15:19 we are to be in the world but not of it. What does it mean to be "so heavenly minded that you're no earthly good?"
 - How would you have felt if you were the one being told by Jesus that a time of distress would come where you would have to flee to the mountains? Do you think it's easier to trust Jesus today being able to look back and see the things he said come to pass?

5. **Taking it home**: What does it mean to "surrender" your life to Jesus? What would it look like?
