

# Life Group Winter 2023 – Week 5

**Series: Mark 13**

**Sermon: Do not panic!**

**Main Scripture: Mark 13:7-13**

**Date: 02/26/2023**

**1. Ice breaker/Share** What's the best piece of advice you've ever been given?

**2. Sermon review:** What's one thing you remember about the message?

### **3. Digging Deeper:**

- When disciples asked Jesus for end times signs, Jesus told them all the signs that are not representing the end yet. Why do you think He did that?
- In Mark 13:9 Jesus said to be on guard/watch out. In your opinion, what does it mean and what does it look like practically?
- In your opinion, why are Christians hated/disliked by this world/culture? Why do you think the Bible is so counter cultural even though it has been solid and unmoved in its wisdom for thousands of years?
- Winston Churchill said, "You have enemies? Good. That means you've stood up for something in your life." Be honest - are you ok with people not liking you for any reason? Where do you have room to grow in staying strong in your belief when disagreement challenges it?
- Have you ever been disliked or persecuted for your beliefs?
- Apostle Peter was boastful that he would never deny Jesus, but when social pressure was applied he denied him three times. Why do you think he did that even though he knew the truth?
