Date: 10/17/2020

1. Share What is your favorite fashion trend of all time?

2. Activity Rock-Paper-Scissors

3. Sermon Review

~ What was one thing that you remember / learned from the message?

4. Digging Deeper:

~ One of pastor Alex's points was: God had to get privilege out of Moses. We often think that to get big results, God has to use someone big / famous.

Read *1 Corinthians 1:27 The Voice 27 But celebrate this: God selected the world's foolish to bring shame upon those who think they are wise; likewise, He selected the world's weak to bring disgrace upon those who think they are strong.*

~ What does this verse mean to you?

~ Pastor said: God needed to take Egypt out of Moses. Egypt represents the world. The world's values / principles are different than the Kingdom's. What are some of those differences? You may refer to Galatians 5:19-23

~ What are some values that have changed for you, since you gave your life to Jesus?

~ God had to give Moses a new mentor. Have you ever had a mentor? What's one thing you've learned from them?

~ In your opinion, what lessons did Moses learn from getting married and having a family?

5. Taking it home:

~ Pastor said: God saves us as we are. But then He starts a transformation. Our transformation takes a lifetime, The Holy Spirit is constantly working on us. What's your Egypt? What is God asking you to give up?
